The Single Most Reliable Source of Key Blanks In The World

P.O. Box 160-006 Altamonte Springs Florida USA 32716-0006

Blue Dog

We consider BlueDog as a secondary source to your regular Locksmith wholesaler. Our target market is the professional Locksmith who needs access to keyblank inventory and research which may not be readily available from their regular sources. We specialize in the odd and the hard to find, the slow movers and the neglected, the orphans and the obtuse, the small quantities and all other (*odd*) rare blanks.

The KeyDetective

sales@bluedogkeys.com

E-mail a clean, clear copy of the blank you are looking for. Provide as much detail as you know, including a cross-section of the key. Our KeyDetective will respond by e-mail.

Separate from the Blanks and Keys listed in this catalog, Blue Dog strives to carry every KeyBlank in the Ilco catalog.

Ilco produces a Locksmith Price List for Blanks.

Every KeyBlank has a Locksmith list price.

We add ten cents per blank to break a box and a further ten cents to break a ten-pack.

We never have a minimum per blank.

We do not have a minimum order.

We do have a minimum shipping charge of \$9.

Please note faxed or e-mail orders are preferred.

Faxed or e-mail orders are given priority and will always ship first.

We know that you have a choice.

Thank you for choosing Blue Dog.
